Monday	Tuesday	Wednesday	Thursday	Friday

## HELPING YOUR CHILD WITH HOMEWORK

### Reward your child for successfully completing homework tasks

Encourage your child to explain homework tasks to you.  
Discussing often helps to focus the mind

### If your child is preparing for a test or exam, help by testing them on the key facts

Try to provide your child with a suitable place and the right equipment to do their homework

### Tips to help your child with their homework

Help with spelling, punctuation and grammar

### Take an interest in what your child is learning about

Encourage your child to read out loud to you. Reading skills are essential for learning

### Help your child to find information from books, internet, etc. Be careful not to do the work for them.

Take an interest in how well they did in previous homeworks. Praise all praiseworthy efforts

### Take an interest in what your child is learning about
